Lecture: TR 9:30-10:20am 2BH 317

Discussion: F 11:00-11:50 2EPASW 2435 or 12:00-12:50 2TH 117

Attendance and participation grades in sections will be determined by the section instructor. Repeated absences will unquestionably affect your performance on exams since they will be based on class lectures, section discussions, as well as readings. Lecture notes and other related course materials discussed or distributed during class will not be posted online or otherwise distributed.

Discussion Paper: Each student will choose a date as when to prepare a discussion paper on some aspect of the material covered during one particular week of the course. Sign up for discussion paper will take place during the second week of class, **Friday Sept 5**. Submission of discussion papers will start on **Friday Sept 12** and will continue until **Friday Dec 5**, as indicated in the syllabus and class schedule. There will be multiple discussion papers submitted each week, which is fine. This assignment consists of:

1. Reading the assigned material at least one week ahead of the class and choosing one or two topics to be highlighted in the paper; when choosing topics it is important to focus on issues that do indeed lend themselves to discussion
2. The student researches, prepares and writes a discussion paper (5-7 pages) covering the most pertinent points and prepares presentation material for Friday's class
3. Students turns in an electronic copy of the paper by 10:00am of each Friday.
4. The student presents his/her paper and its findings to the class during Friday's session; Presentations should take no more than 5mins each and should raise interesting points for discussion. Both the paper and the presentation should include references to relevant political events and links to the materials covered in the lectures.
5. After the presentation, the student submits a hard copy of their paper to the TA (no later than the end of the class).

The papers and presentations must be student's own work. Plagiarism will not be tolerated and will be punished in accordance with UIC policy. **Discussion papers will be submitted through SafeAssign on Blackboard to check for plagiarism.** A presentation on how to avoid plagiarising will be made during the first discussion section.

Failing to schedule a presentation or missing a scheduled one without having a documented acceptable event will result in a failing grade for this assignment. *Acceptable events include medical emergency or hospitalization involving the student, immediate family emergency, and participation in approved school events.* **Please speak to the instructor if you need clarification as to what constitutes an acceptable event for an excused absence.**

There are three exams taking place on **Oct 2**, **Nov 4**, and **Dec 4** during class time. The exams will not be cumulative and will be only of the material covered since the start of semester (for first exam) or since the previous exams (for the second and the third exams). All exams will consist of 25 multiple choice questions.

Map quizzes on the world regions will be administered throughout the semester on the dates announced in the syllabus and the class schedule. Together all quizzes will account for 3%

of the final grade. Quizzes will be administered during discussion section and will consist of a blank outline map for each region and a list of countries. Students will be asked to place the number for each country in the corresponding location on the blank outline map. The quiz dates will be announced at the beginning of the semester and all outline maps to be used will be posted on Blackboard under the Information section.

Missing an exam or a quiz, unless for a documented and excused reason, will result in forfeiting the points for that exam/quiz. Make-ups will be allowed only when there is a valid, documented reason for missing the exam or the quiz. Please discuss with the instructor as to what are acceptable reasons.

Students with disabilities must inform the instructor of the need for accommodations. Those who require accommodations for access and participation in this course must be registered with the Disability Resource Center. Please contact ODS at 312/413-2183 (voice) or 312/413-0123 (TTY).

Course Drops: Only a student can initiate the dropping of a course. The student can drop a course through Banner up through the 10th day of the semester; there is no academic penalty nor does a 'W' appear on the transcript. After the 10th day and through Friday of the 10th week, the student may drop courses by seeing a college academic advisor. These late drops are indicated by 'W' on the transcript and are limited to a total of four for the student's entire UIC career.

Enrollment in class: Campus policy requires that students be properly registered for a class in order to earn academic credit for that class.

Incompletes will not be allowed except in a case of a medical emergency resulting in hospitalization.
